CONTRACTS

Contract rates are dependent on the days on which you ride. Rates for weekend rides are more expensive than weekday rides.

The different contracts as show below in terms of when clients choose to ride and how often clients ride per week.

MONTHLY CONTRACT		
WEEKDAYS	WEEKEND	WEEKDAYS/ WEEKEND
1 = R850.00	1day = R900.00	1x Weekday +1x Weekend = R1650.00
2= R1600.00	2 days =R1700.00	2x Weekdays +1x Weekend = R2400.00
3= R2300.00		1x Weekdays +2 x Weekend= R2500.00

- Contracts fees are due at the beginning of each month before the 7th, in advance of lessons a 10% surcharge on fees paid thereafter.
- At the commencement of the contract a deposit fee of 1 months fee is payable.
- Deposit is in lieu of one month's notice should the rider wish to terminate the contract.

SHOWS

When competing at Sunlands Training show, it is considered a lesson credit, entry fees are the responsibility of the rider payable to the show venue.

Please note this includes show prep and use of tack. Any breakages are to be replaced by client.

I would like to explain the contract and the reduced rate it provides.

- Even though you pay monthly which is 52 weeks in the year we charge for 48 weeks
- We charge for 48 weeks as each month has average of 4.3 weeks
- Thus are not charging for 4 lessons/1 month thus to allow for vacation period for all clients.
- Our cash non contract rate is R350 per lesson.
- At our contract week rate of R850 we are charging R212 per lesson

This system has been designed in a way that allows riders to have regular tuition and outrides at a reasonable rate.

PLEASE NOTE

We are one of the few riding establishments that remain open on public holidays and over the Christmas period to allow people to make up credits. We are also prepared to give extra lessons at our client's convenience. We are proud of are standards and our happy well kept horses.

WE HOPE YOU ENJOY YOUR RIDING
