

HOLIDAY & ACTIVITY CAMP

February - April 2017

Sunlands Farm is a riding yard and working farm situated in the lovely Sun Valley district, Midrand/Kyalami

The aim of the camp is to have a bunch of fun and experience the country side with horses. This is a digital detox experience and farm life at its best.

We offer a variety of activities from pony rides, riding lessons, quizzes, games, hikes, treasure hunts, picnics, swimming, friend building, line dancing, arts & crafts to spectacular bonfires to end the day.

The new camp facilities include a jungle gym, climbing wall, soccer, basketball, swimming pool and a picnic and campfire area. You name it, we have it. The emphasis is on safe fun with 24 hour supervision from our qualified counsellors. Make new friends. Challenge yourself.

The camps cater for young people between the ages of 5 and 18.
